

# SUPPLEMENTAL DECLARATION AND POWER OF ATTORNEY

(For Use with Application Data Sheet)

As the below named inventor(s), I/we declare that:

**BEST AVAILABLE COPY**

This declaration is directed to:

☐ The attached application,  
☐ PCT international application Number \_\_\_\_\_, filed on \_\_\_\_\_  
☒ Application No. 10/655,544, filed on September 5, 2003,  
 as amended on \_\_\_\_\_ (if applicable);

I believe that I am the original, first and sole inventor (if only one name is listed below) or an original, first and joint inventor (if plural names are listed below) of the subject matter which is claimed and for which a patent is sought on the above invention, which is entitled:

**Control Unit For Controlling Paragliders, Unlatching Apparatus For Triggering A Flaring  
Maneuver To Be Conducted By A Load-Bearing Paraglider System, And A Paraglider System**

I/we have reviewed and understand the contents of the above-identified application, including the claims, as amended by any amendment specifically referred to above;

I/we acknowledge the duty to disclose to the United States Patent and Trademark Office all information known to me/us to be material to patentability as defined in 37 CFR 1.56, including material information which became available between the filing date of the prior application and the National or PCT International filing date of the continuation-in-part application, if applicable;

I/we hereby appoint the practitioners at **CROWELL & MORING L.L.P.**, whose Customer Number is:

23911

as my/our attorneys to prosecute the  
transact all business in the United States  
therewith; and

application identified above, and to  
Patent and Trademark Office connected

All statements made herein of my/our own knowledge are true; all statements made herein on information and belief are believed to be true, and further these statements were made with the knowledge that willful false statements and the like are punishable by fine or imprisonment, or both, under 18 U.S.C. 1001, and may jeopardize the validity of the application or any patent issuing thereon.

Sir:

As the individual whose signature appears below, I hereby declare that:

1. I am a co-inventor of the subject matter of the U.S. Patent application identified above.
2. I was erroneously omitted as the original first named inventor in the U.S. Patent application identified above without deceptive intention on my part.

I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under §1001 of Title 18 of the United States Code, and

that such willful false statements may jeopardize the validity of the application or any patent  
issuing thereon.
